# Our Services

Our services are customized  
to cater every special needs  
of the customer.

## Courier Services

### 1. Same day door-to-door delivery within Dar es Salaam

We collect the parcel from a client and deliver it on the same day within working hours.

### 2. Three days delivery outside Dar es salaam

To all regions across the country except Dar es Salaam, the delivery will take three effective working days from the day the parcel was collected from the customer.

## Transportation Services

We do transport both documents and non-document shipments from one destination to another across the country including all Districts, be it Urban or Rural.

Regardless of the mode, we manage domestic transport networks that cover the globe and provide distribution options. We have access to the equipment and capacity you need, no matter how exceptional your shipment is.

## Home / Office Relocation

The company has a team of experienced and trustworthy packers and movers who bring high quality of packing materials and tools. They implement latest technology requirement of company and carry out resettlement activity. It will minimize non- working hours and maintain the business output as usual. This would also enable your company to save a lot of time in performing office relocation. The transition period will be smoother.

## DHL Services

Advanced Logistics Limited has been engaged by DHL-Tanzania to serve as its authorized

agent in nine (9) Regions

across Tanzania which are; Morogoro, Moshi, Iringa, Mbeya, Tabora, Kagera, Shinyanga, Kahama and Nzega. Furthermore, Advanced Logistics Ltd serves as a DHL Retail Outlet in Dar es Salaam authorized to pick all DHL parcels around Ubungu area and other nearby areas.

## Express Services

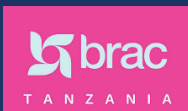

These are services which are provided to a customer beyond our normal operations. For example, normally, all regional deliveries outside Dar es Salaam takes at most three working days but a customer may wish her/his parcel to be delivered within the same day or the next day. Under these circumstances, a customer will be charged for express service because we will have to impose extra efforts even at lamentable costs just to make sure such parcel is delivered within the time ordered by the customer.

## Warehousing/ Storage Services

Warehousing involves more than just the holding of goods in a storage facility. We receive, store, pack, track and ship your products.
